SAFEGUARD THE CHILDREN

Did You Know?

Inform school staff about your children's health issues

"Back-to-school does not have to mean back-to-worrying. Though safety inside school is ultimately the responsibility of the principal and school staff, parents can take a few basic steps to ensure a safe school experience." Inform school staff about health and emotional concerns. Whether your child has a food allergy, a physical disability, or has been subject to bullying, make sure to keep your child's teachers and principal in the loop. For more information, please visit <http://www.scholastic.com/parents/resources/article/parent-teacher-partnerships/6-rules-school-safety>.

WEDNESDAY NIGHT BIBLE STUDY

The Book of James

You are invited to join us on Wednesdays, from 7-8:45 pm in the Holy Family Room for the St. Cornelius Wednesday night Bible Study. We will finish our study of James this month. Our next study, the Infancy Narratives of Jesus, begins on Dec. 3rd. (We are revisiting this study from December 2010.) You can order the study set (study guide and a commentary – Advent of the Savior) from Little Rock Scripture Study at 1-800-858-5434. The order number for the set is ISBN 978-0-8146-2652-8 (\$13.00). You are welcome to join at any time. For more information, course materials or to sign up please contact Erick or Barbara Fischer at (562) 425-5542 or e-mail, ebefischer@earthlink.net

Study Question for the week: ***What source of help does James mention (Jas 1:5-7)?***

Last week's answer: ***According to James chapter 1, how are we to meet trials?***

According to James, we are to 'count it all joy' when met with trials (Jas 1:2). James reasons that trials test our faith and produce steadfastness which means our faith becomes firm and it cannot be shaken. This sequence of testing and perseverance indicates the manner of attaining spiritual maturity and full preparedness for the coming of Christ.

POPE FRANCIS

Secrets to Happiness

"Live and let live." Everyone should be guided by this principle, he said, which has a similar expression in Rome with the saying, "Move forward and let others do the same."

"Be giving of yourself to others." People need to be open and generous toward others, he said, because "if you withdraw into yourself, you run the risk of becoming egocentric. And stagnant water becomes putrid."
