“Permission Slip”

TO: All Parents and Guardians
FROM: St. Cornelius Office of Religious Education
SUBJECT: VIRTUS® Teaching Touching Safety Program for Children and Young People
DATE: September 2018

We at **St. Cornelius** are committed to your child’s safety and well-being. We hear of incidents of child abuse, both sexual and other forms, occurring almost daily in our society. Having the knowledge and understanding to protect and keep ourselves safe is important for children and adults.

The creators of the VIRTUS® Protecting God’s Children have developed the Teaching Touching Safety Program, to share with children and young people, God’s love for them and their uniqueness and importance in His sight also to assure children, that God desires their happiness, health and safety.

Therefore, the Archdiocese of Los Angeles provides the Teaching Touching Safety program as an ongoing effort to help create and maintain a safe environment for children and youth to be protected from all forms of abuse. The focus of the program is to empower children and youth with knowledge and understanding to keep themselves safe.

This year we will present VIRTUS® *Teaching Touching Safety program* to our students in a class lesson during the month of **January**, The topics for this year’s lesson includes, **Boundaries, and Telling Someone You Trust**. Each lesson includes a “Home Activity,” for students to complete with a parent/guardian. A Summer Safety Lesson will also be sent home at the end of each school year.

Parents/guardians seeking additional information regarding this program or who would like to review the materials/videos, please feel free to contact **Evelyn Padian, (562) 420-7613**.
