Attention Parent(s):

We are looking forward to another year of growing in faith within the St. Cornelius parish community. In order to provide our children with the best opportunity for spiritual growth and religious formation, both the Office of Religious Education and the parents must work together to form a necessary partnership. We invite you to lend your time and talents to the St. Cornelius Religious Education Program. There are many areas where your help is necessary. Just a few of those areas are listed below. Please fill out and return the completed form with your registration.
